R.G.L. CIRCULAR No. 6/2019

To : the Brethren of Western Region.

Dear Sir and M.W.Bro. / R.W.Bro. / V.W.Bro. / W.Bro. / Bro.,

Fraternal Greetings to you from the Regional Grand Lodge of Western India.

It is a universal fact that without water life could not exist on the earth. Since last few days various articles / news has been appearing in newspapers and T.V. channels regarding the chronic water shortage in many villages particularly during the summer and the villagers have to travel a long distance of 4 to 6 Kms. to fetch water from the wells and carry on their head / shoulder.

Recently, a company known as NILKAMAL LTD. (of which our Regional Grand Master, R.W.Bro. M.S. Federal is a Director) have innovated a product made of hard plastic called Wello Water Wheel (WWW) with a capacity of 45 litres, which can be easily rolled on rough roads with the help of iron rod. This will help villagers particularly ladies and children.

Our R.W. Regional Grand Master, R.W.Bro. M S Federal has arranged about 50 pieces of WWW at no cost to be donated with an advance notice to the company of at least 15 days for delivery at the place or the nearest point to be identified by Lodges.

R.W. Regional Grand Master has also graciously arranged additional pieces for donation to the needy villagers at the actual manufacturing cost which will be Rs.1,700/- per piece.

The Lodges who desire to avail this benefit may contact R.W.Bro. Saifee N. Nasrulla (saifeenn@gmail.com or on mobile number 99208 52051) regarding the same.

We trust that Brethren will take benefit of the aforesaid and furnish a report to the Region.

Yours fraternally,

Mehernosh N. Patel
Regional Grand Secretary
